NOTE: Please use the addresses of the Compilers on this page, some have moved since their chart was sent. You are encouraged to write the Compiler, if you have any additional information (also if your line touches their line in any way...a small clue may not be so small, after all!) also the Compiler often has much more information in their files, and are happy to make additional contacts. Several persons working on one line often opens new generations, and other valuable information. Be sure to include a self addressed stamped envelope (S.A.S.E.) when you hope for an answer to any genealogical question. 20 cents stamp now!

EACH FAMILY GROUP SHEET VOLUME is \$3. until further notice (postal rates continue to increase!) Other Volumes will be published as information becomes available and our finances and printing time will allow. We have made a real effort to use the various charts, without having to re-type (and we do not have a typing service!) they will be returned to the compiler, when we cannot photo copy them! Try to use our Charts (when possible) they are much easier to read! And some of our members and readers are very new...this may be the first FAMILY GROUP SHEET VOLUME they have ever seen...and we try to make genealogy information easy for all to read and understand.

PLEASE order from: AGS, 4200 "A" Street, Little Rock, Arkansas 72205

If you have sent Charts...and do not know which Volume your Chart (or Charts are included) write: Jeania Moore Burns, P. O. Box 353, Alma, AR 72921 - enclose S.A.S.E. and a few dollars...she will search the index (also for names you may be interested in...and also for the volume your charts are in!)

The 75 counties of Arkansas were for the most part given their official names in honor of some national or state leader who figured in the early peace or wartime history of the state and federal governments. However, several received their designations from the names of rivers, natural formations or in commemoration of the Declaration of Independence and the union of colonial states. Dates of their creation and distinguished men or highlights in history for which their counties were given their names was copied from an old newspaper (date unknown) but possibly the newspaper was the Arkansas Gazette, published in Little Rock, Arkansas.

EDITOR'S NOTE At least one County History has been published, for most of these counties. Write the Library of the county (Enclose self addressed stamped envelope - S.A.S.E.) for the address to buy or at least research.
